Dear Jim:

You certainly are a busy geologist---at this rate you should have the Arizona files in good shape. I am always happy to help in any way that I can.

The location of the wells that you inquired about are as follows:

EPNG #10 Four Corners Strat Test
1938/N 417/E Section 11, T 41 N, R 30 E
Apache County, Arizona

1-79

EPNG #1 Window Rock Water Well
1600/N 2558/E Section 34, T 26 N, R 30 E
Apache County, Arizona
Note: the different section and range for the Window Rock well from the location stated in your letter.

WW-220

If you need anything else let me know.

Sincerely,

Dick Ullrich
