Re: Maryland Casualty Bond No. 90-713638 - "State of Arizona"

Dear Mr. Brown:

This has reference to your letter of December 14 in which you requested that the above numbered bond be released.

In examining our files, I find that, under date of April 6, 1960, a letter was directed to Mr. Jack D. Foster of your company, 227 Central Building, Midland, Texas and it stated that the Commission had approved the plugging record and was releasing your blanket bond in the amount of \$10,000 which was dated February 28, 1959. A carbon copy of this letter was sent to the Maryland Casualty Company, Baltimore, Maryland.

I contacted the bonding company's Phoenix office, the one that supplied this bond, and they are unable to locate either an active or a closed file on your company. I feel sure that this bond has been released; however, I am to contact them again next week after they have had sufficient time to locate your file. I will write you at that time.
