Gentlemen:

This letter of inquiry is to ascertain the status of the drilling permit of Counts and Johnson in T9N R6W.

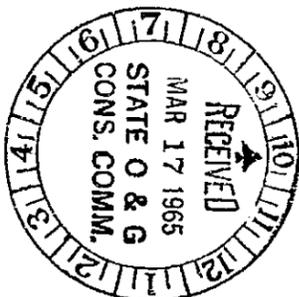

A number of weeks ago we inquired at your office and the secretary in charge of the files informed us at that time that their present drilling permit was due to expire February 23, 1965.

We are members of a group holding leases that Messrs. Counts and Johnson have been intending to drill on. Since the expiration of the permit on February 23rd, we have received no information as to whether this permit was renewed. We would greatly appreciate it if you would let us know if a new drilling permit has been taken out by Mr. Counts and Mr. Johnson and if so, the date.

Thank you in advance.

Very truly yours,

  
Mr. & Mrs. R. C. Kimball
