Re: Drilling Permits
Teec Nos Pos Field
Apache County, Arizona

Dear Mr. Allen:

This letter is to inform you of our present plans concerning the above-referenced field.

It appears that Navajo Tribal policy concerning mineral development is not too clear at this time. We have personally experienced conflicts concerning surface rights for lands which were involved in two proposed drilling wells (#11 & 13). The problems which we have experienced, plus public-made comments from tribal officials tend to present an unstable situation. We have decided to defer any development plans until a later date.

We would like to rescind any current applications for permit to drill at this time.

Your assistance in this matter has been greatly appreciated. We look forward to working with you and your staff in the future.

Very truly yours,

Re: Expiration of State Permit 688
Navajo "O" #11
NE SE Sec. 26-T41N-R30E
Apache County, Arizona

Dear Bill:

Thanks for your letter of March 17, 1978, reminding us of the expiration of Permits to Drill the Navajo "O" #8, #11, and #13 wells.

We are planning on drilling the #11 well and would like to extend that permit for 60 days, if possible. The possibility of drilling the #8 and #13 wells is questionable right now. I believe it would be better for both of us to let those permits expire and re-apply if we should decide to drill them later.

Beginning to look like golf weather here.

Very truly yours,

Gentlemen:

Attached are your approved Applications to Drill your Navajo "0" No. 11 and Navajo "0" No. 13, your drilling permits and receipts for the \$25.00 filing fee.

Please note on the permits and applications to drill that we have listed the description within the section of the dedication for your Wells No. 11 and 13. If this is not satisfactory, please advise. In the future, it will be appreciated if you will describe your preferred dedication at the time you submit your application to drill.

If we can be of any assistance, please advise.
