Re: Ferrellgas, Inc. blanket performance Bond No. 400 GV 7009

Dear Ms. Flanigan:

I received your certified letter No. P 105-228-862 requesting the St. Paul Fire and Marine Insurance Company's release from obligation under the captioned bond because the captioned bond is being replaced by United Pacific Insurance Company Bond #U1665502 effective June 25, 1993.

A.A.C. R12-7-103 requires a performance bond to remain in effect until (1) the wells under the bond have been plugged and abandoned as approved by the Oil and Gas Conservation Commission, or (2) the a new blanket bond is posted for the wells. I have not received or approved a replacement bond for the captioned bond.

As a result, I cannot release St. Paul Fire and Marine Insurance Company's obligation under the captioned bond until the United Pacific Insurance Company Bond #U1665502 is received by this office and approved.

Please let me know if I can be of further assistance in this matter.

Sincerely,

Steven L. Rauzi

Dear Mr. Doss:

Your letter of September 10, 1981 to Mr. Lester Adkins of Buckeye Gas Products Company has just recently been forwarded to my office.

Your letter requests a "Designation of Operator" form be executed and returned to your office. We do not understand the form since we operate our own LPG storage wells.

Since there has been some time elapsed from the date of your letter, I called for you at your office but you were out. The lady I talked to said she thought the Commission had everything needed from Buckeye at this time.

If there is anything still needed, would you please let me know and we will promptly comply.

Thank you.

Sincerely,

Glenn E. Mace
