Complete Bouguer gravity
Lower San Francisco River area

EXPLANATION

- Less than -190 Milligals
- -180 to -190 Milligals
- -170 to -180 Milligals
- -160 to -170 Milligals
- -150 to -160 Milligals
- Greater than -150 Milligals

Contour Interval is 2 Milligals
