

05-20 3 of.

The number within or adjacent to the patterned areas identifies one or more geologic maps in the key printed below. For those areas in which more than one map is indexed only the pattern of the largest key scale is indicated.

SCALES INDICATED BY PATTERNS

- Maps at scales of 1:78,125 through 1:108,612
- Maps at scale of 1:125,000

GEOLOGIC MAP INDEX OF ARIZONA
