Plate 1. Historical Changes in the Active Channel Boundaries of the San Pedro River, Redington Area.

EXPLANATION:
- 1879 (Survey of Gila and Salt River Meridian, General Land Office)
- 1907 (Survey of Property of Ranches and Barbado Company, W.B. Alexander, U.S. Land Surveyor)
- 1934 (Aerial photographs, Soil Conservation Service)
- 1995 (Aerial photographs, Pima County)
- 1981 (Redington Quadrangle, 7.5 Minute Series, USGS)
- Location of Photograph(s)
- Location of Historical Ditch Head (Year)

* The single 1879 line represents the location of the 1879 channel rather than the boundaries of the active channel.
