

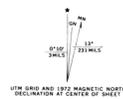

**Plate 2. Historical Changes in the Active Channel Boundaries of the San Pedro River, Mammoth Area.**

**EXPLANATION:**

-  : 1877\* (Survey of Gila and Salt River Meridian, General Land Office)
-  : 1910-11 (Winkelman Quadrangle, 30 Minute Series, 1913 Edition, USGS)
-  : 1934 (Aerial photographs, Soil Conservation Service)
-  : 1994 (Aerial photographs, Pinal County)
-  : 1972 (Mammoth and Lookout Mountain quadrangles, 7.5 Minute Series, USGS)

\* The single 1877 line represents the location of the 1877 channel rather than the boundaries of the active channel. No channel information was available for the area of Township 8 South, Range 16 East.

⊙ : Location of Historical Ditch Head

CONTOUR INTERVAL 40 FEET
